

Postgraduate programs at Central Technical University

	college	department	program	Study Language
1	Technical Engineering College -Baghdad	Mechanical Power Techniques Engineering	of Doctoral Technology Degree in Thermal Engineering Technology	English
2			of Master Technology Degree in Thermal Engineering Technology	English
3			of Master Mechanical Engineering Technologies / Power Stations	English
4		Material Techniques Engineering	of Doctoral Technology Degree in Material Engineering Technology	English
5			of Master Technology Degree in Material Engineering Technology	English
6		Mechanics Applied Techniques Engineering	of Master Technology Degree in Dies Engineering Technology	English

7			of Master Technology Degree in Welding Engineering Technology	English
8		Surveying Techniques Engineering	of Master Technology Degree in Surveying Engineering Technology	English
9		and Building Construction Engineering Techniques	of Master Technology Degree in Building and Construction Engineering Technology	English
1	College of Health and Medical Techniques	Laboratory Medical Techniques	in PhD.tech Medical Laboratory Techniques	English
2			degree in Master Medical Laboratory Techniques	English
3		Dental Prosthetic Techniques	degree in Master Prosthetic Dental Techniques	English
4		Health Community Techniques	degree in Master Community Health Techniques	English
1	Technical College of Management / Baghdad	Accounting Techniques	degree in Master And Financial Accounting Techniques	Arabic

2		Information Techniques	degree in Master Managerial Information Techniques	Arabic
3		Quality Total Management Techniques	degree in Master Total Quality Management Techniques	Arabic
4		Business Administration Techniques	degree in Master Business Administration Techniques	Arabic
1	Electrical Engineering Technical College	of Department Medical Instrumentation Engineering Techniques	degree in Master Medical Instrumentation Engineering Techniques	English
2		of Department Computer Engineering Techniques	degree in Master Computer Engineering Techniques	English
3			degree in PhD Computer Communication Engineering Techniques	English
4		of Department Electrical Power Engineering Techniques	degree in Master Electrical Power Engineering Techniques	English
5		of Department Control and Automation Engineering Techniques	degree in Master Control and Automation Engineering Techniques	English

1	of College Applied Arts	Advertising Techniques	degree in Master Advertising Techniques	Arabic
2		Design Interior Techniques	degree in Master Interior Design Techniques	Arabic
